

Governors' Report to Parents

2019

Adroddiad Llywodraethwyr i Rieni

Introduction

It is my great pleasure to present this annual report from the governing body. The report is also available electronically on the school website along with further information about the school in the School Prospectus.

2018-19 was, once again, a highly successful year. Despite a challenging picture both locally and nationally, the governors worked with the staff in the school to manage the school finances extremely efficiently.

Last year the School Development and Improvement Plan priorities were:

- Tracking and intervention for sixth form students
- Raising pupil aspirations
- Teaching and learning in classroom practice
- Breadth, balance and appropriateness of the curriculum
- Developing lines of accountability

The school development plan this year will focus on:

- Promoting and reinforcing school ethos
- Promoting professional learning
- Continuing to develop quality assurance processes and support systems to ensure sustained school improvement
- Developing school curriculum to deliver curriculum for Wales including ALN transformation
- Developing ambitious, capable, healthy and confident learners

The regional consortia GwE and the local authority have once again categorized the school as 'Green', a school in need of the least level of support. This is the highest possible level and shows confidence in the school's leadership and teaching and learning.

In 2019, both GCSE and A level results were again excellent. GCSE results in English, maths and science were well above modelled outcomes.

The staff and students could not achieve these excellent results without the support of parents and carers. Governors and staff in the school appreciate all the support provided by parents in ensuring that students attend school punctually every day and are prepared to learn. The school website includes links to many resources that can support parents to work with their children and the school Twitter, Instagram and Facebook pages provide up to date news about school life.

I hope that you find this report informative and I look forward to working with you in the future to maintain the excellent learning experiences provided for all students in the school.

Mrs. T. Gilliland
Chair of the Governing Body
February 2020

School Information

Our school is a co-educational comprehensive situated in the county town of Mold, Flintshire. The school roll is comprised of 250 students in each of the Years 7 to 11, together with almost 350 students in the Sixth Form. The Alun School has an enviable record of academic success achieved with a fully comprehensive intake. The school provides a high standard of facilities, including a sports centre with swimming pool, large playing fields and all-terrain pitch, excellent expressive arts studios, modern design technology workshops and extensive ICT facilities, as well as a well-resourced school library and five blocks of student toilets. All facilities are cleaned daily by a team of cleaners employed by the school.

ACADEMIC CURRICULUM

The timetabled curriculum of 25 one-hour sessions per week has been arranged to serve two important principles. Firstly, that all children are of equal value and should be resourced accordingly; secondly, that all children should follow a broadly-based and balanced curriculum throughout the period of statutory education. Children with additional needs, whether these are learning difficulties, exceptional ability, sensory-physical impairment or emotional-behavioural problems, are supported in a number of ways. To support individual students, the school liaises with specialists such as physiotherapists and speech and language therapists, school and community nurses and doctors, educational psychologists, inclusion welfare officers and the staff of the voluntary and statutory agencies.

Key Stage 3

Below is a full list of subjects studied during the first three years:

English	Mathematics	Science	Welsh
French/German	Technology	ICT	Literacy Skills
History	Geography	Religious Education	Humanities
Art and Design	Music	Physical Education	Drama

Key Stage 4

In Years 10 and 11, each student follows their own individual learning pathway, choosing subjects from a wide range of options, in addition to the core subjects of English, Mathematics, Science, Welsh, Physical Education, Religious Education, ICT and Personal and Social Education and Welsh Baccalaureate Diploma.

In science, students study either three separate subjects of Biology, Chemistry and Physics, or GCSE Double Award Science. All students also study the Welsh Baccalaureate Diploma qualification. The latest option choices for students entering Key Stage 4 can be viewed at: www.alunschool.co.uk

All students complete a second language GCSE qualification in Welsh in Year 11. The promotion of the Welsh language and culture is encouraged across the school through Curriculum Cymreig, the school eisteddfod, and a range of enrichment activities.

Sixth Form (Post-16)

Our Sixth Form offers a very wide selection of subject combinations. The latest post-16 options choices can be viewed at: www.alunschool.co.uk

School policies and procedures are reviewed regularly by the Governors' Sub Committees. The School Development and Improvement Plan (SDIP) is reviewed and updated annually, and is informed by self-evaluation activities that include analysing the outcomes of parent and student questionnaires. Curriculum plans are updated annually and approved by the Governing Body – see the School Prospectuses and Option Booklets for details. All courses are delivered through the medium of English.

The school's support for students with Additional Learning Needs is monitored by the nominated school governor, and we work in partnership with the Local Authority to monitor the work of the Hearing Support Centre. We are a community focused school and have regular meetings with the police and external agencies who provide support services for students. Parents and carers are welcome to visit the school during our annual open day/evening, or at other times by appointment.

The school environment is managed by the Governors' Buildings and Health & Safety Committee and it meets all legal requirements including those relating to the Disability Discrimination Act and the provision and upkeep of student toilets. Maintenance is carried out in conjunction with the Local Authority and in accordance with approved Service Level Agreements.

The Finance and Personnel Committee has successfully managed the school budget during some challenging financial settlements, and have made appropriate appointments to maintain a full complement of staff to meet the needs of all learners.

Further information regarding the governing body is available from Mrs. A. Flint, Clerk to Governors on 01352 750755.

Sport

The school has an excellent record of sporting success and provides a range of opportunities for students of all abilities and interests. Students have access to extensive sports facilities that include an all-weather surface; football, hockey and rugby pitches; netball, tennis and squash courts; two gymnasiums, a sports hall and swimming pool. A 5x60 officer works closely with the school on initiatives that have been developed to encourage active lifestyles and to supplement the PE curriculum.

Our sports staff are fully committed to the extracurricular programme. Students have access to the sports hall from 8.00am to 8.40am for basketball and badminton. Lunchtime clubs run from 12.30pm to 1.10pm and the activities focus on team games, gymnastics and swimming. The emphasis of the after-school programme is to provide fixtures against other schools in the area.

Attendance

Attendance

Excellent attendance at school is essential for students to fulfil their potential. The school uses a range of strategies to encourage good attendance and reduce rates of unauthorised absence:

- Good attendance, or much improved attendance, is rewarded individually
- Attendance of tutor groups is compared, data published, and rewarded
- Attendance of houses monitored, compared and rewarded
- Parents can use the school diary to monitor student attendance and authorise absences
- The school operates a 'cold calling' system for students with attendance problems and send truancy call daily for students not in school
- The school issues attendance letters, has regular attendance meetings and undertakes home visits
- EWO referrals, home visits, meetings and director's letters
- Fixed Penalty Warnings and Fixed Penalty Notices
- Attendance Officer liaises closely with the school nurse
- CAMHs referrals, Trac, Adtrac, TAFF, Ed Psych referrals, Early Help Hub, Flintshire Sorted
- Departments require students to catch-up on any work missed due to absence. Where appropriate, they provide support for students to spend time outside lessons for this purpose
- Assemblies, PSE, drama work and theatre groups are used as a means of highlighting the problems of non-attendance with students.

School Attendance 2018-2019:

Attendance = 94.6% Authorised Absence = 4.9%
Unauthorised Absence = 0.5%
