Agenda Items	Notes
1. Fairtrade Fortnight (Article 24)	Fairtrade Fortnight The pancake race was yesterday in the Centre of Mold. Reps did a great job working with the community and promoting Fairtrade by ingredients and a display.
2. Plastic Clever Schools (Article 12)	Plastic Clever Schools Mr Rees led a Plastics Assembly with the help of the Eco Group linking it to a TV programme on plastics. Promoting the episode on Twitter during the assembly week worked really well getting our community talking about plastics. A display is underway and colourful posters about saying no to single use plastics displayed.
3. Nurture Project (Article 24)	Nurture project The Nurture Project is finishing. There has been great feedback so far. Staff have suggested that all tutor groups could have a plant. However, it was said that not all rooms are the same.
4. Growing Area in the canteen	Growing Area in Canteen Garden From all of the SHRN work with Cardiff University school council has some vouchers to support the school. They have suggested that the EcoGroup might like them to buy something. It was suggested plants for the outside space and / or resources to have a growing garden area. For the next meeting can members please think about this more and maybe do some research?
