

# Community Litter Pick

<b>Event Date</b>	October 2018	<b>Event Coordinator</b>	Mr Rees
<b>Event Description</b>	School council and EcoGroup were inspired to do a community litter picks after Mr Rees' Drowning in Plastic Assembly.		

Promoting the use of plastics was the topic chosen to focus on in assembly by the Eco Group and Mr Rees, Assistant Head teacher. This was a great opportunity to also inform the community about our Plastic Clever Schools journey.

Annually the school – participate in Mold Spring Clean in March but as a result of the assembly Eco Group and School council thought it would be great to carry out more regular litter picks in the community.
