

Why Choose BTEC Performing Arts?

Performing Arts provides a practical, real-world approach to learning and developing the specific knowledge and skills you will need to work successfully in the industry. You will learn about how performance and production roles contribute to a live performance.

As part of the course, you will learn how to work in a professional manner on a performance project which will be performed to an audience. You will also take part in a selection of small plays where you will demonstrate your acting skills and techniques.

There will be opportunities for you to understand the production aspects including; costume, make-up, stage and lighting design and how it all contributes to a performance.

This will also include practical assessment where you will take part in a variety of performances. In order to maintain Professional Practice and for the purpose of controlled assessment video recording, you will be required to wear a Performing Arts Kit in all lessons and rehearsals.

At Alun School,
our experienced teaching team provide expert guidance and tuition.
