Associated Policies	Anti-Bullying, Complaints		

This Policy is to regulate the management, operation and use of the closed circuit television (CCTV) system at Alun School.

The system comprises a number of fixed and dome cameras located around the school site.

All cameras are monitored within the school and by the school's preferred monitoring company. This policy follows guidelines issued by the CCTV Commissioner and The Information Commissioner. The CCTV system is owned by the school.

Why does the school have CCTV

To protect the school buildings and assets.

To improve personal safety and reduce the fear of crime.

To protect and maintain the well-being of people and their property who may be on the site.

To assist staff in identifying and resolving incidents.

To assist the police in a bid to deter and investigate crime and assist in identifying, and prosecuting offenders.

Policy Statement

Whilst operating CCTV we will endeavor to comply with guidance and Codes of Practice issued by the Information Commissioner www.ico.org.uk and the Surveillance Camera Commissioner continue to be registered with the Information Commissioner under the terms of the General Data Protection Regulation and the Data Protection Act 2017 and will to the best of its ability comply with Data Protection, Privacy and Human Rights requirements. The school treats the system and all information, documents and recordings obtained and used as data in accordance with Legislation. Recordings will only be released to the media for use in the investigation of a specific crime following a specific request by the Police.

Lawful Basis for Processing

Cameras will be used to monitor activities within the school and its car parks and other public areas to identify potential or actual criminal activity or behavior which does not comply with school codes of conduct and for securing the safety and well-being of pupils' staff and visitors. Static cameras will not be focused on private homes, gardens or other areas of private property.

Processing is considered to form part of the Schools Public Task therefore the lawful basis of processing is considered to be:

- Article 6(1)(e,) processing is necessary for the performance of a task carried out in the public interest or in the exercise of official authority vested in the controller.
- Images of individuals captured by the system have a right to object and should follow the complaints procedure defined below.

CCTV coverage

Within the buildings the CCTV coverage is in corridors, stairwells, access areas, public and social areas.

Warning signs are displayed appropriately, as required by the Code of Practice of the Surveillance & Information Commissioners. CCTV system will be operated 24 hours each day, every day of the year.

How long is data retained

Unless data is required for the above purposes by the school or investigatory bodies e.g. data will be kept for 30 days and then over-written. If required for investigatory purposes data will be destroyed as soon as it is no longer required.
