Dear Parent/Carer,

There are a number of transition planned activities over the next few weeks. These are usually only available to our traditional feeder schools. However, all schools have been invited to our sports activity sessions next week. I have also visited all our feeder schools and will be making contact with teachers from all other schools in the next few days. This gathering of information will help ensure a smoother transition to the Alun.

The transition day on 18th June is an important event, as students will be placed into tutor groups and meet their House staff. 6th form students will meet and greet as students arrive and escort them to the school hall. It is also an opportunity for year 6's to use the appropriate means of travelling to school (school transport (buses) are aware that they will be travelling this day). Students should wear their own primary school uniform and bring either a packed lunch or money (approx £2.50) to use in the canteen. I recommend that if your child is going to use the canteen at all whilst at the Alun, that they use this facility on this day. During the afternoon the students will have sample lessons which will help them to understand the workings of the school. Students should bring a pen and pencil for these activities.

During the evening there is a reception for parents from 6.30 to 8.00pm (students do not need to attend). There will also be the opportunity for you to meet the Head of House and group tutor who will be the primary point of contact from September onwards. Light refreshment will also be available.

I look forward to meeting you at the Reception Evening on the 18th June, but if you require any other information over the coming weeks then please do not hesitate to contact me.

Yours sincerely

Mr C. Ellis (Deputy Headteacher)
