

Online application 2024 guidance notes

Please complete the application form carefully making sure all your personal details are correct before you click 'send'.

Date of birth:

Check it carefully to make sure it is correct. This is important so that we can correctly identify you.

Parental contact:

Provide us with the name, mobile phone number and email address of one of your parents or other legal guardian.

Choosing your options:

- For specialist advice on which type of course is the most suitable for you please speak to the sixth form team by emailing us using the contact details below.
- You should choose four subjects from the option blocks A-E. In the option block where you have not chosen a subject you will need to select 'none' as your option.
- Remember that these are only your provisional choices and there will be several opportunities to change your options before the start of term in September.
- Be aware that the subjects offered in these option lines are a provisional list; the courses will run providing there are a sufficient number of students opting for them.

Double A level subjects:

- Further mathematics is a double A level subject and you must select this in both option blocks A and E if you wish to study it.
- Health & social care can be studied as a single A level in option block A. It can also be studied as a double award level 3 diploma by selecting it in both option blocks B and E.

If you want to discuss any aspect of your application, you can speak to a member of the Alun School Sixth Form team by calling 01352 750755 or on the email address below.
