04th June 2020

Dear Parents, Carers and Students,

We welcome the Welsh Government's decision that will allow us to reopen school in a safe and structured way from Monday 29th of June and are currently awaiting further guidance on how this decision may be implemented.

A safe reopening of school that protects the health and well-being of our school community is our priority and we will provide regular updates as plans are finalised. In the meantime, please continue to access online learning and contact school should any individual concerns arise.

We are very much looking forward to seeing our students to catch up and prepare for summer and September.

Best wishes to you and your families.

Mrs G Roberts
Assistant Headteacher
